

# COPYRIGHT & Co

**Am I allowed to show films in my online lessons?**

**Which photos can I use?**

**And what about the legal framework?**

---

Copyright is essential for educators and students. Moreover, it doesn't have to be as tricky as you imagine. We cannot provide legal information, but we would like to raise awareness of the topic. Right here we outline an arrangement of relevant topics of copyright and other neighbouring matters such as fair use, open online resources, creative commons or data protection.

So use the icons below to explore more:

## Covid Lessons - Copyright And Online Learning

First at all, we recommend to read the following debate by Teresa Hackett, Copyright and Libraries Programme Manager. This is a link about the use of copyright protected material as education moves off-campus and online
